Do You Know?

ALBIZZIA LOPHANTHA (Plume Acacia)

An "eye catching" evergreen tree growing to a medium height. Silky, yellow flowers borne in the spring provide a pleasing contrast against the dark green fern like foliage. An ideal tree for lawn planting.

Minimum temperature endurance plus 10° F.
1 gal. .45 5-gal. 1.95

FATSHEDERA LIZEI VARIEGATA

Spectacular variegated form of the old green favorite, Fatshedera lizei. Semi-climbing with large, glossy variegated leaves. A good subject for espalier on walls in the shade.

Minimum temperature endurance plus 10° F.
2 1/4" .17 1/2 1-gal. .60 5-gal. 1.95

GARDENIA RADICANS

This miniature gardenia is greatly in demand because of its low growing habit and its many uses in landscaping. Growing 15" to 18" in height, this gardenia has small glossy foliage and small white deliciously fragrant flowers. Ideal for use as a low hedge planting in the shade or part sun. Use Gardenia radicans for foreground plantings either with broadleaf evergreens or with tropicals.

Minimum temperature endurance plus 20° F.
2 1/4" pots .20 1-gal. .60 5-gal. 1.95

SARCOCOCCA RUSCIFOLIA

Handsome evergreen shrub having dark, shiny, waxy leaves and producing small white flowers. Sarcococca thrives in the deepest shade; therefore, it has long been a favorite for the shaded garden. It has a dense habit of growth. Use it with tropical plantings or as a hedge planting in a shaded location.

Minimum temperature endurance plus 5° F.
2 1/4" pots .17 1/2 1-gal. .50 5-gal. 1.85

VIBURNUM BURKWOODI (Snowball)

In early spring this handsome semi evergreen shrub bears a large 3" head of waxy, white, pink-flushed flower clusters. It has a sweet, gardenia-like fragrance. Growing to a medium height, this viburnum is ideal for hedge plantings or for foundation plantings.

Minimum temperature endurance minus 10° F.
2 1/4" pots .20 3" pots .35 1-gal. .60

DELIVERY. Free delivery in the Los Angeles Metropolitan area, San Diego, Santa Barbara, Bakersfield and Palm Springs. We do not pay transportation charges on shipments not covered by our free delivery service. To more distant points we will use the safest and least expensive method unless specific instructions are given.

NON-WARRANTY. The Monrovia Nursery Company gives no warranty, expressed or implied, as to the variety or productivity of any nursery stock it sells. Liability in all instances is limited to the purchase price. No liability is assumed by seller for delay or failure to deliver caused by wars, strikes, fires, floods, droughts, embargos or any other contingencies beyond seller's control. If the purchaser does not accept the goods on these terms, they are to be returned.

TERMS. While our regular terms are cash, we will be pleased to make credit arrangements with established concerns. Open accounts are payable on or before the 10th of the month following date of delivery. Overdue accounts are subject to interest charge at a legal rate. No discount will be allowed as it is our policy to maintain attractive prices consistent with high quality stock. The issuance of this catalog automatically cancels all previous quotations. It is understood that all orders accepted are subject to availability of stock at the time of delivery.

PINTO TAG. We take great pride in being a "Pinto Tag" Nursery enabling us to ship into other California Counties without requiring any further inspection.

PLEASE REMEMBER. We deeply appreciate your patronage, and shall endeavor to always say "thank you" by the careful manner in which we will service your every order . . . large or small.
